

[Pure]

[HOL]

AxiomaticCategoryTheory

```
graph TD; Pure["[Pure]"] --- HOL["[HOL]"]; HOL --- AxiomaticCategoryTheory["AxiomaticCategoryTheory"];
```

The diagram illustrates a vertical hierarchy of three concepts. At the top is a box labeled '[Pure]'. A vertical line connects it to a middle box labeled '[HOL]'. Another vertical line connects the middle box to a wider box at the bottom labeled 'AxiomaticCategoryTheory'.
